

Jacob Henkelman Foundation

Scholarship Application Form

The Jacob Henkelman Foundation Scholarship was created to help those individuals touched by organ donation in their pursuit of higher education. Our goal is to help Donor and Recipient family members with scholarships for all levels of higher education or career advancement training, and to bring awareness to Organ Donation. The Foundation looks to award two \$1000 dollar scholarships annually. Applications will be reviewed by a committee to determine the recipient of the scholarships. Candidates must fill out the following form and give a brief essay on what organ donation means to them and how their life has been affected.
